

Company Presentation

www.linx-com.com

OUR COMPANY

Linxcom UK has established itself as an **international supplier** in networking and telecommunications end-to-end solutions. We work closely with our customers and embrace the latest technology to innovate and provide our customers with the best and most cost-effective solutions. Our vision is “building long relationships with our clients by pursuing business through innovative and advanced technologies”. So, whatever your needs, we’ve got you covered.

Since it was founded, the company has seen growth year on year, allowing it to invest and develop into more areas.

OUR GLOBAL CLIENTS

We've worked hard and our success can be seen with our Partners in **over 60 Countries**, our Global Distribution Network and the Multi-Lingual Support our staff can provide.

RESEARCH & DEVELOPMENT

We are constantly testing and researching new products to bring the latest technology to our customers.

Based on customer feedback and experience we apply our research team to develop the correct solution.

Our products are adapted to your projects needs.

PRODUCT CATALOGUES

Our catalogue has been specifically designed to ensure product and data is kept relevant.

OUR PRODUCTS

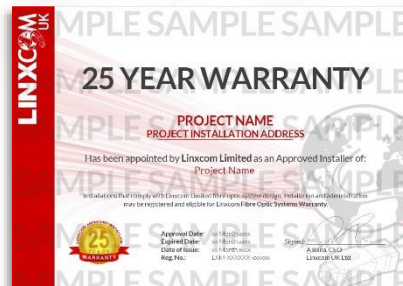

Linuxcom Products are used by **International Telecom Operators, Global Conglomerates & National Governments** worldwide. With an ever-growing product catalogue ,we also tailor our products to meet your needs, so you'll always get what's right for you.

OUR CERTIFICATIONS

Linxcom is Tested and Certified by External Bodies to comply with International Standards to **guarantee** peace of mind.

COURSES

LinxcomUK is providing you with industry standard qualifications in Fibre Optics. We are proud to have this selection of courses on offer. The duration of these courses vary and are intense. Approx. 3 days.

Contact our team if you require any additional information. For full course breakdown visit our resources at www.linx-com.com/resources

BRANDING & OEM

Linxcom products ship exactly how you want them. Every component is securely marked with our brand name and a serial number to correctly identify a Linxcom product. Need it unbranded? We can handle that too, alternatively, we can also brand your name on our products. Our name is synonymous with great quality and service, but there are imitators out there so be sure you are buying 100% tested and certified products.
